

# 2024 Prologue

<b>ELECTRIC DRIVETRAIN</b>	<b>EX</b>	<b>EX-L</b>	<b>TOURING</b>
Dual-motor All-Wheel Drive (AWD)	•	•	•
Horsepower (hp) <sup>1</sup> – AWD	288	288	288
Torque (lb.-ft.) <sup>2</sup> – AWD	333	333	333
Max. towing capacity <sup>3</sup> (lbs.)	1500	1500	1500
<b>EV RANGE</b>	<b>EX</b>	<b>EX-L</b>	<b>TOURING</b>
Range (km) <sup>4</sup> – AWD	Up to 452	Up to 452	Up to 439
240-volt AC charge time – Level 2 (km per hour of charging) <sup>5</sup>	Up to 54.9	Up to 54.9	Up to 54.9
DC fast charger charging time (km in 10 minutes of charging) <sup>5</sup>	Up to 101	Up to 101	Up to 99.7
DC fast charger charging time (20% to 80% state of charge, mins) <sup>6</sup>	35	35	35
Battery capacity (kWh)	85	85	85
<b>CHASSIS</b>	<b>EX</b>	<b>EX-L</b>	<b>TOURING</b>
Dynamic Drive Modes	Normal	Normal	Normal, Sport
Multi-link front suspension	•	•	•
Multi-link rear suspension	•	•	•
Stabilizer bars (mm, front/rear) (AWD)	35.7 x 5.4 (tubular) / 19.0 (solid)	35.7 x 5.4 (tubular) / 19.0 (solid)	35.7 x 5.4 (tubular) / 19.0 (solid)
Belt drive assist Electric Power Steering (EPS)	•	•	•
Steering wheel turns, lock-to-lock	3.5	3.5	3.5
Steering ratio (AWD) (deg.)	18.6	18.6	18.6
Turning diameter, curb to curb (ft.)	39.6	39.6	39.6
Ventilated front disc/solid rear disc brakes (in.)	12.6 / 13.6	12.6 / 13.6	12.6 / 13.6
Wheels	19 x 8.5	19 x 8.5	21 x 9.5
Tires	255/60R19 109H	255/60R19 109H	275/45R21 107H
Tire repair kit	•	•	•
Self-sealing tires	•	•	•
<b>EXTERIOR DIMENSIONS</b>	<b>EX</b>	<b>EX-L</b>	<b>TOURING</b>
Length (mm)	4,877 (192 in.)	4,877 (192 in.)	4,877 (192 in.)
Width (mm)	1,989 (78.3 in.)	1,989 (78.3 in.)	1,989 (78.3 in.)
Height (mm)	1,643 (64.8 in.)	1,643 (64.8 in.)	1,643 (64.8 in.)
Wheelbase (mm)	3,094 (121.8 in.)	3,094 (121.8 in.)	3,094 (121.8 in.)
Track – front/rear (mm)	1,679 / 1,684 (66.1 in. / 66.3 in.)	1,679 / 1,684 (66.1 in. / 66.3 in.)	1,679 / 1,684 (66.1 in. / 66.3 in.)
Ground clearance – no-load (in.)	8.1	8.1	8.1
Approach/departure angles (deg.)	18.2 / 19.8	18.2 / 19.8	18.2 / 19.8
<b>INTERIOR DIMENSIONS</b>	<b>EX</b>	<b>EX-L</b>	<b>TOURING</b>
Headroom – front/2nd row (mm)	1,006 / 968 (39.6 in. / 38.1 in.)	970 / 932 (38.2 in. / 36.7 in.)	970 / 932 (38.2 in. / 36.7 in.)
Legroom – front/2nd row (mm)	1,052 / 1,000 (41.4 in. / 39.4 in.)	1,052 / 1,000 (41.4 in. / 39.4 in.)	1,052 / 1,000 (41.4 in. / 39.4 in.)
Shoulder room – front/2nd row (mm)	1,509 / 1,463 (59.4 in. / 57.6 in.)	1,509 / 1,463 (59.4 in. / 57.6 in.)	1,509 / 1,463 (59.4 in. / 57.6 in.)
Hip room – front/2nd row (mm)	1,463 / 1,382 (57.6 in. / 54.4 in.)	1,463 / 1,382 (57.6 in. / 54.4 in.)	1,463 / 1,382 (57.6 in. / 54.4 in.)
EPA passenger volume (litres)	3,163 (111.7 cu. ft.)	3,053 (107.8 cu. ft.)	3,053 (107.8 cu. ft.)
Rear cargo volume litres (litres) <sup>7</sup> (seat up/seat down)	714 / 1,634 (25.2 cu. ft. / 57.7 cu. ft.)	671 / 1,543 (23.7 cu. ft. / 54.5 cu. ft.)	671 / 1,543 (23.7 cu. ft. / 54.5 cu. ft.)
<b>WEIGHT</b>	<b>EX</b>	<b>EX-L</b>	<b>TOURING</b>
Curb weight (lbs.) – AWD	5,086	5,207	5,273
Weight distribution (% front/rear) – (AWD)	54.5 / 45.5	54 / 46	54.1 / 45.9

Welcome light (rear kick sensor)		•	•
Rear privacy-tinted glass	•	•	•

- Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.
- Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.
- Maximum towing capacity is 1,500 lbs with the required accessory towing package. See your owner's manual for proper towing operation.
- Estimated zero tailpipe emission range of up to 452 kilometres combined (city/highway) EPA driving range rating with a full charge based on internal testing of the Prologue EX and EX-L and estimated zero tailpipe emission range of up to 439 kilometres combined (city/highway) EPA driving range rating with a full charge based on internal testing of the Prologue Touring. Your driving range will vary depending on driving conditions, how you drive and maintain your vehicle, battery-package/condition, and other factors.
- Requires professionally installed 60A dedicated charge station, sold separately. Actual charge times/range will vary based on battery condition, output of charger, vehicle settings, outside temperature, and other factors. See the vehicle's Owner's Manual for additional limitations.
- Maximum charge rate is subject to network availability. DC fast chargers may not be available in certain areas. Actual charge times/range will vary based on battery condition, output of charger, vehicle settings, outside temperature, and other factors. Charging time is subject to change. See the vehicle's Owner's Manual for additional limitations.
- Based on SAE J1100 cargo volume measurement standard plus, where applicable, floor space between seating rows and seats in their forward-most and upright position.
- Forward Collision Warning (FCW) cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. FCW does not include a braking function. Driver remains responsible for safely operating vehicle and avoiding collisions.
- Automatic Emergency Braking & Front Pedestrian Braking cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions.
- Lane Keeping Assist System only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. Keep your hands on the steering wheel at all times. LKAS is not a substitute for your vehicle control and may not detect all lane markings; accuracy will vary based on weather, speed and road condition including condition and visibility of lane markings. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions.
- Improper use of Adaptive Cruise Control (ACC) can lead to a crash. Use the brake pedal whenever necessary, and always keep a safe distance between your vehicle and other vehicles. Use ACC only when driving on expressways or freeways and in good weather conditions. Exiting a vehicle that has been stopped while the ACC system is operating can result in the vehicle moving without operator control which could result in serious injury or death. Do not use ACC in conditions including: in poor visibility; when you must slow down and speed up repeatedly; on winding roads; when you enter a toll gate, interchange, service area, parking area, etc.; on a slippery road; when a spare tire is installed; or when going down a steep hill.
- The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions.
- Traffic Sign Recognition cannot detect all traffic signs and may misidentify certain signs. Accuracy will vary based on weather and other factors. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and complying with all traffic regulations.
- Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. Driver remains responsible for safely operating vehicle.
- Use TPMS-specific wheels only. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge. Do not rely solely on the monitor system. Please see your Honda dealer for details.
- Services enabled by Google Built-In require a data plan or tether/hotspot from a compatible mobile device and are subject to change at any time. Initial data plan is included for three (3) years – but only if the customer activates the data plan (and agrees to the terms and conditions) by December 31, 2026 ("Plan Activation"). Failure to complete Plan Activation as outlined above results in forfeiture of the initial data plan. The three (3) year time period for the initial data plan starts from the date of Plan Activation. Following the expiration (or forfeiture) of the initial data plan, Google Built-In functionality will no longer be available. To regain Google Built-In functionality, customer will be required to: (i) subscribe to a compatible OnStar plan at then-current pricing (for details, see: [www.onstar.ca/en/plans/pricing](http://www.onstar.ca/en/plans/pricing)); or (ii) tether/hotspot from a compatible mobile device. Conditions apply. Certain Google actions and functionality may require account linking. Connectivity is dependant on compatible wireless networks provided by third-party wireless service providers and other factors outside Honda control. Changes in technology and wireless networks may limit or prevent the operation of vehicle connectivity. Services, connectivity, and capabilities are subject to terms and limitations and vary by model, vehicle configuration, conditions and geographical and technical restrictions. See [onstar.ca](http://onstar.ca) for details and limitations. Google, Google Maps and other related marks and logos are trademarks of Google LLC. OnStar and the OnStar emblem are registered trademarks of OnStar, LLC.
- Apple CarPlay is provided by Apple Inc. and only compatible with certain Apple devices and operating systems. Devices, cables and adapters are not included and must be purchased separately. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier. Only use Apple CarPlay when conditions allow you to do so safely. Some laws prohibit the operation of electronic devices while operating a vehicle. Launch applications and perform other operations on electronic devices only when the vehicle is safely parked. Certain functionalities may be locked while vehicle is operational. Depending on use, Apple CarPlay can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with the connected iPhone. See Apple's privacy policy or contact Apple Inc. at [www.apple.com](http://www.apple.com) for details regarding Apple's use and handling of data uploaded by Apple CarPlay. Use of Apple CarPlay is at user's own risk, and is subject to agreement to the Apple CarPlay terms of use, which are included as part of the Apple iOS terms of use. Apple CarPlay vehicle integration is provided "as is" and Honda cannot guarantee Apple CarPlay operability or functionality now or in the future due to, among other conditions, changes in Apple CarPlay software/Apple iOS, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Apple and Apple CarPlay are trademarks of Apple Inc.
- Android Auto is provided by Google Inc. and only compatible with certain Android devices and operating systems. Devices, cables and adapters are not included and must be purchased separately. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier. Only use Android Auto when conditions allow you to do so safely. Some laws prohibit the operation of electronic devices while operating a vehicle. Launch applications and perform other operations on electronic devices only when the vehicle is safely parked. Certain functionalities may be locked while vehicle is operational. Depending on use, Android Auto can share certain user and vehicle information (e.g., vehicle location, speed and other operating conditions) with Google and its service providers. See Google privacy policy or contact Google Inc. at [www.google.com](http://www.google.com) for details regarding Google's use and handling of data uploaded by Android Auto. Use of Android Auto is at user's own risk, and is subject to agreement to the Android Auto terms of use, which are presented to the user when the Android Auto application is downloaded to the user's Android phone. Android Auto vehicle integration is provided "as is" and Honda cannot guarantee Android Auto operability or functionality now or in the future due to, among other conditions, changes in Android Auto software/Android operating system, service interruptions, or incompatibility or obsolescence of vehicle-integrated hardware or software. See dealer for details. Android and Android Auto are trademarks of Google Inc.
- Only compatible with certain devices and operating systems. Devices, cables and adapters are not included and must be purchased separately. The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc., and any use of such marks by Honda Motor Co., Ltd., is under license.
- The USB interface is used for playback of MP3, WMA or AAC music files from digital audio players and other USB devices, as well as smartphone data transfer on designated smartphone/audio interface ports. Some USB devices and files may not work. Please see your Honda dealer for details.
- Includes a no-charge trial of 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states. See terms and conditions at [www.siriusxm.ca/home](http://www.siriusxm.ca/home) Objects south of the vehicle may cause satellite reception interruptions. Satellite signals are more likely to be blocked by tall buildings and mountains the farther north you travel from the equator.
- Coverage varies by market. HD Radio is a proprietary trademark of iBiquity Digital Corporation.
- Honda wireless phone charger is compatible with Qi wireless charging standards. Check with your device's manufacturer for wireless capability.
- Services enabled by HondaLink connected by OnStar require a data plan and are subject to change at any time. Initial data plan is included for three (3) years – but only if the customer activates the data plan (and agrees to the terms and conditions) by December 31, 2026 ("Plan Activation"). Failure to complete Plan Activation as outlined above results in forfeiture of the initial data plan. The three (3) year time period for the initial data plan starts from the date of Plan Activation. Following the expiration (or forfeiture) of the initial data plan, HondaLink connected by OnStar functionality will no longer be available. To regain functionality, customer will be required to subscribe to a compatible OnStar plan at then-current pricing (for details, see: [www.onstar.ca/en/plans/pricing](http://www.onstar.ca/en/plans/pricing)). Conditions apply. Connectivity is dependant on compatible wireless networks provided by third-party wireless service providers and other factors outside Honda control. Changes in technology and wireless networks may limit or prevent the operation of vehicle connectivity. Services, connectivity, and capabilities are subject to terms and limitations and vary by model, vehicle configuration, conditions and geographical and technical restrictions. See [onstar.ca](http://onstar.ca) for details and limitations. OnStar and the OnStar emblem are registered trademarks of OnStar, LLC.
